Footnotes

1. Provided that: (1) no more than twenty-five (25%) percent of the allowed gross floor area of all structures constructed on the lot subsequent to the effective date of this article shall be devoted to such use; (2) lot coverage by any such use does not exceed thirty-five (35%) percent of the total lot area; and (3) adequate distance, screening, and buffering is provided between uses that are potentially incompatible, in addition to any condition that the Board of Appeal may require in accordance with Section 6-4.
2. Notes regarding Institutional Uses. The Institutional categories “College or University Use,” “Hospital Use,” and “Nursing or Convalescent Home Use” are defined in Article 2A to include subuses (office, parking, etc.) that also appear as main uses in this table A. If part of an Institutional Use, pursuant to the provisions of this Article and Article 2A, any such subuse shall be regulated as is the pertinent Institutional Use. To determine whether the substitution of a single such subuse for another constitutes a Proposed Institutional Project, and to determine whether a subuse is a High Impact Subuse, see the definition of the pertinent Institutional Use in Article 2A.
3. Provided that, where such use is located in an area where residential uses are permitted: (1) the requirements of St. 1956, c. 665, S.2, where applicable, are met; (2) the use is essential to service in the residential area in which it is located; and (3) in the case of a pumping station, substation, or automatic telephone exchange, no storage building or yard is maintained.

4. Provided that, where such use is designated "C," any expansion of seating or standing capacity of such use is conditional, and where such use is designated "F," any expansion of seating or standing capacity of such use is forbidden.
5. Provided that any cemetery existing on the effective date of this Article may be extended.
6. Provided that such columbarium is located within a cemetery.
7. Provided that such crematory is located within a cemetery, and is furthermore located more than three hundred feet from every lot line of the cemetery that abuts land in a Residential Subdistrict that is not part of a cemetery.
8. Provided that such mortuary chapel is located within a cemetery, and is furthermore located more than one hundred fifty feet from every lot line of the cemetery that abuts land in a Residential Subdistrict that is not part of a cemetery.
9. Provided that such use shall comply with all guidelines and standards promulgated by the National Institutes of Health concerning the care and use of laboratory animals.
10. Provided that Dwelling Units are forbidden in Basements.
11. Provided that such use is forbidden in a flood hazard district.
12. Provided that where such use is designated "C," such structure shall be removed from the lot no later than six months from the date the structure is placed on the lot; otherwise forbidden.
13.
