REGULATION OF USES

SECTION 8-1. **Uses Regulated by Districts.** In each district the use of land and structures is hereby regulated as provided in the following sections.

SECTION 8-2. **Allowed Uses.** No land or structure in any district shall be erected, used, or arranged or designed to be used, in whole or in part, for any use except under the provisions of Section 8-3 and Article 6, unless such use is specified in the use item column of Table A of Section 8-7, and the letter "A" is set against such use in the column headed by the designation of such district. Any use so marked shall be allowed as a matter of right, subject only to the requirements set forth in the use item column.

↔SECTION 8-3. **Conditional Uses.** No land or structure in any district shall be erected, used, or arranged or designed to be used, in whole or in part, for any use under the provisions of Article 6 unless such use is specified in the use item column of Table A of Section 8-7, and the letter "C" is set against such use in the column headed by the designation of such district. The granting of a permit for any use so marked may be authorized conditionally by the Board of Appeal acting under the provisions of Article 6, subject to the requirements set forth in the use item column. The continued right to a conditional use is dependent upon maintaining the character and extent of operations and structures.

(↔As amended on April 11, 1979)

SECTION 8-4. **Forbidden Uses.** No land or structure in any district shall be erected, used, or arranged or designed to be used, in whole or in part, for any use specified in the use item column of Table A of Section 8-7 if the letter "F" is set against such use in the column headed by the designation of such district, except for such nonconforming uses as may be allowed to be continued under the provisions of Article 9.

SECTION 8-5. **Uses Subject to Other Regulations.** Allowed and conditional uses shall be subject, in addition to use regulations of height, area, yard, setback, lot size and area, lot width, and building bulk, to such provisions for off-street parking and loading, and to such other provisions as are specified in other sections of this code.

↔SECTION 8-6. **Pre-Existing Conditional Uses.** Any use existing on the effective date of this code which this code classifies as a conditional use in the district in which the land occupied by the use is located, and also any use existing on the effective date of any amendment of this code which such amendment so classifies, shall be deemed to have been authorized as a conditional use subject to maintaining the character and extent of operations and structures existing on the effective date of this code or of such amendment, as the case may be. Any application for a change in use or an increase in the area

devoted to such use shall be subject to the provisions of Article 6, but no conditional use permit shall be required for the replacement of gross floor area lost by fire or other casualty.

(↔As amended on January 8, 1982)

↔SECTION 8-7. **Use Regulations.** No land or structure shall be erected, used, or arranged or designed to be used, in whole or in part, except in conformity with the following table or as otherwise provided in regulations pertaining to a special purpose overlay district, neighborhood district, downtown district, waterfront service district, waterfront manufacturing district, light manufacturing district, or the Harborpark District:
